October	18/10/2009	Torbay ???				To be confirmed by John Wilson and committee
November						

Notes

12-14 race days to attend a minimum of 6

We'll figure out some sort of scoring approach to normalise the results across the whole series

The bolded red Howick races will be "official Jolly days"

The other Howick days will count if sufficient Jollys turn up (4 plus)

Please contact the location rep if you are attending so we can assess numbers and whether to cancel (due to lack of #s or weather)

Format: Decided on the day - possibly 2-3 races dependent on weather, attendance and enthusiasm

Cost: \$5 per entrant to fund the OD/Scorer/Safety/course layer person's beers plus petrol

What we need From entrants

You name, sail # and contact phone number for cancellations etc

An indication of which event(s) you will attend (say a week in advance or better) so we can plan
